FOR EVERY PROFESSIONAL BOOKMAN

BOOKMAN'S WEEKLY

READ AB and keep in touch with what's going on in the specialist book field throughout the world. Discover the many services of **AB**, its unique departments, trade news and reviews, book notes and bibliographical information and a special feature article **each week** on some aspect of the world of books.

BOOKSELLERS have found that **AB's** complete coverage of 8,000 professional bookmen (9-10,000 for special issues) brings them greatest returns on ads, at lowest possible cost. Sales tips and new promotion ideas are valued by the specialist and antiquarian book trade.

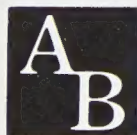

LIBRARIANS as well as collectors, editors, research workers in the literary field — all professional bookmen — look to **AB** for important news and reviews of out-of-the-way books and events, nowhere else available.

PUBLISHERS of better books, scholarly and specialist works and items for collectors, can take advantage of this concentrated audience of professional book buyers at low display rates.

BOOKMAN'S YEARBOOK

AB ANNUAL for all bookmen — dealers, publishers, librarians and collectors. Two volumes published each year, loaded with valuable reference features on a variety of book world subjects, the indispensable **O.P. Market**, Reference Directory of Specialist and Antiquarian Booksellers, separate Directory of Trade Services, and listings of specialist book publishers, university presses, private presses, dealer-publishers, and auction houses.

AMERICAN WORKING CLASS HISTORY

A Representative Bibliography

Compiled by Maurice F. Neufeld, Daniel J. Leab, and Dorothy Swanson

AMERICAN WORKING CLASS HISTORY is a central source of bibliographic information for the fields of labor history, industrial relations, urban affairs, economics, and allied subject areas.

AMERICAN WORKING CLASS HISTORY contains over 7,000 entries representing a vast range of materials in a variety of print and nonprint media: popular and technical books; scholarly monographs; novels and plays; magazine articles; union documents; management reports; state/federal legislation; dissertations; research-in-progress; government reports; periodicals; biographies; films; and more.

This bibliographic reference spans the history of American labor from colonial times to the present. And 75 subject headings permit access: chronologically, geographically, by union, by industry, or by special interest (women, minorities, etc.). An author index is also included to facilitate reference.
